

- A rain space- indoor, private, preferably a gym reserved for the program and not in conflict with other programs, although it can also be a classroom depending on the number of participants. Briefly describe the available indoor space:

- A plan for successfully recruiting participants and parents to ensure a minimum of 8 and a maximum of 15 per team. (This might include a lunchtime presentation, flyer in school newsletter, after school info session or a table at open house) Briefly describe your plan:

- Registration Process: Your team has a choice of online registration or paper registration. Online registration includes only parents and Wilmington Family YMCA involvement, while head coach oversees team roster online. Paper registration requires more involvement from the head coach or site liaison, includes gathering registration form, health history form, payment, supporting documentation for those applying for financial assistance, and building roster. Which registration process would best suit your team? Whichever registration process is chosen, the whole team must oblige.
